ED Message

Sindh Village Development Program (SVDP) has completed its third year's journey, and I am pleased to present the SVDP's 3rd annual progress report for year 2021-2022. During the reporting period, the focus has remained to expand the educational activities, community mobilization and building linkages with the different institutions.

With regard to education, our great success is the incredible number of college students. When started the project just seven-eight girls students were going to the college at Sehwan but this year the number was enormously increased up to 33 students. The reason behind the success is our free transport survives from Bajara to Govt. Girls Degree College Sehwan. In that way we have increased the number of the school vans as well. Moreover, we have also provided the free transport facility to boys' students of the Govt. Boys Degree College Sehwan.

A new initiative taken during the reporting period is the starting of the Kindergarten school at village Bajara. The reason behind the initiative is creating a pre-schooling model for the area. Another initiative is developing a Model Fruit Farm whose work is underway and will hopefully be completed next year.

We know the significance of collaborations and linkages therefore we have developed strong relationship with an organization regarding treatment of the eye patients. Earlier we go to Hyderabad for even the eye screening but after establishing a hospital here in Sehwan, we take the patients over there for the treatment of eye diseases. Apart from that, regarding developing linkages, we visited IBA Sukkur and arranged a visit of SRSO's craft model in Sukkur in which our female artisans participated in different events and their craft center.

Marvi Vocational and Training Center Bajara is an important initiative which is serving for the empowerment of rural women of the area. This was first time that our artisans setup a stall of their own made products at Hyderabad Literature Festival. Further they organized an Eid Bazar at village Bajara which was a unique event in its nature. Moreover, two one month basic stitching courses were organized for the interested girls of the village.

Kitchen gardening initiated in the village during the reported period. Women of the village practiced the idea in more than eight home initially and got success.

Community mobilization is a core component of our project. Different meetings and gathering were organized in which community members participated actively. Moreover, events for youth were also organized under the banner of Mach Kachahri.

Apart from the Bajara Village Development Project (BVDP), this year we formally intervened in Village Gachero Old of Taluka Moro, District Naushhro Feroze. After establishing a Computer lab, a full-fledged Science lab has also been established in Govt. Boys High School.

Last but not least, none of those achievements would have been possible without the support of our solo donor Dr. Aijaz Hussain Turk, Board of Directors, our dedicated staff and the volunteers.

Mehran Mallah

Executive Director

Education & Learning

Science Lab established near Moro, inaugurated by Dr. Aijaz Turk

Science is a crucial subject which gives students knowledge of why and how things function. It can also be used to grasp new ideas, make choices and pursue a new passion. Therefore, Sindh Village Development Program (SVDP) gives high priority to science education. Keeping into consideration the fact, a full-fledged Science

Laboratory was established with the financial support of Dr. Aijaz Turk and Mr. Ghulam Mohiuddin Memon Morai in Govt. Boy High School village Gachero Old near Moro town of District Naushahro Feroze. Dr. Aijaz Turk, senior member of SANA and Head of Advisory Board SVDP inaugurated the lab along with his son Hussain Turk on February 22, 2022. Afterwards, an inauguration ceremony was organized wherein Dr Aijaz Turk, Mehran Mallah and Hussain Turk shared their views. Further Fahim Bughio and Noman Bughio gave their presentations on education and village development. Awarded were distributed among the students by the guests.

Kindergarten School inaugurated in Bajara

Early Childhood Education provides children life skills, self-confidence and improves their social skills. Most importantly, preschool is a place where children have fun in a safe and loving environment. That fact triggered Sindh Village Development Program (SVDP) to start its own school in village Bajara, therefore Abdul Yaqeen Turk School of Excellence has been established.

Dr. Aijaz Hussain Turk who is head of the Advisory Board SVDP inaugurated the school on February 24, 2022.

Solar Panels and Furniture Donated to Boys Schools of Bajara

SVDP gives high priority to the education, and in this regard, students of village Bajara are being supported through different facilities. In this way, keeping in view the hot season, 28 ceiling fans and solar panels were provided to Govt. Boys Primary School Bajara on June 27, 2021. Moreover, 50 student chairs were also donated to the school. Apart from that 16 ceiling fans and solar panels provided and installed in Govt. Boys High School Bajara on March 20, 2021.

A Success Story from Bajara: 2 Candidates Passed NEP Test and Selected for Jobs

We believe that technology has a key role to empower the people specially the vulnerable societies. In this regard, students of village Bajara completed different courses of digital literacy. A test was conducted in July 2021 by one of the startup company under National Expansion Plan of NIC in which two candidates of village Bajara named Iftikhar Ali Bajar and Muhammad Hanif Turk were passed. The selected candidates eventually will be appointed as Technical Officers at Mehran University of Engineering and Technology (MUET), Jamshoro, Sindh.

Different activities are being taken place to encourage and promote the girls' education in village Bajara. Transport facility for the pick and drop has been provided to the students of high school and college. On the other hand, the free tuition facility in English, Math and Computer subjects has also been provided to them. In result, of 2021, the enrollment in the schools has been increased and during the reported period 33 girls have passed matriculation. It is noted that previously just 7 to 10 girls' students were enrolled in matric classes but eventually the number has increased.

A Step Ahead: Transport Facility Provided to the Boys Students

After girls, the pick and drop facility has been provided to the boys students since October 18, 2021. In this respect, a loader rickshaw has been hired for the student from Bajara to Govt. Boys Degree College Sehwan. It is remembered that two schools van has already been arranged for the pick and drop of schools and college going girls' students.

Admission in Technical Courses: An Orientation Session for Girls in Bajara

SVDP is endeavoring to enhance the skills of youth in village Bajara. In that regard, an event took place on October 18, 2021 at Bajara organized by SZABIST ZABTech (iTVE) Sehwan. They announced 9 (Nine) free technical courses with stipends for three months. The guests of gave answers to the questions asked by the attendees. Afterwards, the team visited the SVDP's interventions in the village.

Free Tuition Center: Students learning English and Math Subjects

Manchhar Academy of Students' Empowerment (MASE) is a new initiative of SVDP in village Bajara in which different activities are being taken place. In this regard, a Free Tuition Center has been established wherein 70 boys and girls students

of different classes are learning English and Math subjects. Moreover, a review meeting held in August 2021 in which Dr Aijaz Turk, English teacher Ali Sher Abro, Math teacher, Computer trainer Sajid Bhutto and the students participated. Ideas and strategies for further improvement were discussed in the meeting. Afterwards, a second batch was started in November of the reporting perio

Health, Hygiene & Nutrition

Free Medical Camp in Sehwan: 20 Female Patients of Bajara Benefited

Sindh Village Development Program (SVDP) believes in collaborations, coordination and networking. In this way, after check-up of 20 female patients of village Bajara were given free medicines while doctors provided consultation to them in a free medical camp organized on November 14, 2022 by Natha Foundation and Shahbibi Health Care Trust at Sehwan. Besides, two patients suffering from kidney diseases were referred to Hyderabad for the proper treatment.

40 Eye Patients of Bajara were Screened, Operated in a Free Eye Camp

40 eye patients including four male of village Bajara and suburb were screened on November 20, 2021. Four out of the total were operated, checked-up and operated in an eye camp organized by Natha Foundation and Shahbibi Health Care Trust at Jhangara Town, Sehwan. Besides, 8 cases were referred for further treatment. Moreover, 10 patients were freely given sight glasses as well. Hepatitis and diabetic tests of all the patients were done before the screening, and medicines were given to them as well. The event was nicely managed by the female team of the SVDP.

Treatment of Eight Eye patients of Bajara at LUMHS

Health is a key component of Bajara Village Development Project, and in this connection different activities are taking place in Village. A free eye camp was set up on November 11, 2021 by Natha Foundation in Jhangara Town in which 8 female patients were referred to Hyderabad for further treatment. SVDP provided transport facility those patients got their checkup at Institute

of Ophthalmology LUMHS, Jamshoro. Thanks to Prof. Dr. Ashok Narsani and Dr. Zulqarnain and Dr. Mehwish for their cooperation and support.

Alternative & Sustainable Livelihood Options

Another New Initiative: SVDP Started Kitchen Gardening in Village Bajara

Kitchen gardening is not a new concept but now its importance is increasing day by day because it ensures an inexpensive, organic, regular and handy supply of fresh vegetables which are basic to nutrition. In this way SVDP initiated a Kitchen gardening drive in 15 houses of village Bajara in January 2022. In that season, 8 kinds of vegetable seeds were sown and the majority of the seeds grown out from the soil.

The initiative was led by the women of the village, SVDP is providing those seeds and technical support.

Making Schools' and Hospitals' Uniforms at the Vocational Center

Marvi Vocational & Training Center Village Bajara completed a project of making Schools' and hospitals' uniforms. In this regard, in January 2022, the team of the MVTC made the uniforms of a private school and Department of Maternal & New Neonatal Child Health Care Program, Sayed Abdullah Shah Institute of Medical Sciences, Sehwan.

Promoting Rural Artisans' Work: Marvi Vocational Center Bajara Setup a Cultural Stall at HLF Hyderabad

Marvi Vocational and Training Center has been established in the village Bajara with a purpose to empower the rural women. In that regard, in order to promote the work of female artisans of Taluka Sehwan, a Cultural Stall was been setup on February 6, 2022 at Hyderabad Literature

Festival (HLF), in Excellency Club Abdullah Sports Tower (Gate B) Bypass Road Hyderabad. Different works of the rural women including Rili, Gajj, Embroidery, Cultural dresses, Showpieces etc. were displayed in the stall led by the female team of SVDP.

Female Volunteers organizing EID BAZAR in Village Bajara

SVDP is striving for the empowerment of rural women therefore different initiatives have been taken in that regard. The female volunteers of the Bajara village have planned an EID BAZAR at SVDP Female Office at Bajara since April 19, 2022 and will continue until the Eid Night. Most of the items to

be displayed in the event are related to women and children. Besides, it was a very first time that ladies of the Bajara and nearby villages did Eid shopping in their own village rather going to Sewhan. It was a wonderful opportunity where they discussed various issues and entertained each other.

Construction Process Started for creating a Horticulture Model

SVDP's one of the main objectives is to create models in Sindh. In this regard, a horticulture model has been planned in Bajara where eight acres of land has been provided by the Turk family. In this connection, in the first phase, construction of large size overhead and ground water tanks were underway in June 2022. After provision of water, different fruit plants will be planted.

Training Certificates and Prizes distributed among 29 Girls

Certificate and prize distribution events were organized on August 16, 2021 at village Bajara. The Head of Advisory Board of SVDP Dr. Aijaz Hussain Turk distributed the certificates and prizes among 29 girls including 15 candidates who completed one month dress making course at Marvi Vocational & Training Center Bajara; 07 candidates who passed Recognition of Prior Learning (RPL) Test conducted at Govt. Vocational Institute for Women, Afandi Town, Hyderabad; and 07 girls students who got positions in English and Math subjects at Free Tuition Center Bajara. More than 40 females participated in the event.

Fourth One Month Basic Training Course on Dress Making

The fourth one month free basic course on measurement, cutting, stitching and designing completed on November 6, 2021 at Marvi Vocational & Training Center village Bajara in which 10 young

girls from three villages participated. The resource person of the event was a local woman. In this way 30 females have been trained in stitching so far. Besides, SVDP is providing transport to the trainees as well.

Fifth One Month Basic Training Course on Dress Making

The fifth one month free basic course on measurement, cutting, stitching and designing completed on December 5, 2021 at Marvi Vocational & Training Center village Bajara in which 10 young girls from three villages participated. The resource person of the event was a local woman who has good experience and knowledge in the field of dress making.

Sessions on Android App Development Mindset, Skillset & facts

Technology is a great source to empower the marginalized. It is closely related to the economic development as well. Believing in said fact, sessions on “Android App Development Mindset, Skillset & facts” for youth (Girls and Boys) were organized on December 31, 2021 in Village Bajara. Mr. Ali Hassan Mallah, CEO Indusilicon Software Jamshoro delivered the sessions followed by the discussion. App development, content development ideas, online earning, viral techniques and other related issues were discussed thoroughly in the sessions.

Environmental Protection and Climate Risk Management

Bird Houses Developed in Village Bajara

The heat wave has been drastically affected life in Sindh; everything is suffer due to the highest temperature including animals and plants. Keeping in consideration the situation, two Bird Houses have been developed in May 2022 in village Bajara where wooden boxes have been fixed in the trees so that birds can live and make their nests. Further feed and water have also been arranged there.

Construction of Walking Tracks in Family Park

A Family Park has developed village Bajara aiming to provide a space to the women and the children for adapting healthy lifestyle and recreational environment. After construction of water tank, the level of the ground has been raised by filling of river sand. Further, walking tracks have got been constructed in July 2021 in the park as well.

Water and Sanitation

Cleaning the Bajara: Waste Bins were again fixed after the painting

Working at the grass root level is a challenging job and SVDP is doing it very well since its inception. With regard to achieve the objectives of the project, different activities are taken place in village Bajara. In this way big size Waste bins were fixed in village Bajara two year ago which are still used properly by the dwellers of the village. Those bins were got cleaned, reprinted and fixed again in November 2021 at the selected locations in the village.

Information & Knowledge

Sindh in 21st Century: Issues, Opportunities and Aspects: An Interactive Discussion near Moro

Gachero Old Association for Healthy Environment and Development (GO AHEAD) in collaboration with Sindh Village Development Program (SVDP) organized a discussion on Sindh in 21st Century: Issues, Opportunities and Aspects on January 22, 2022 in Village Gachero Old, Taluka Moro. The event was led by political analyst and author Mr. Zulfiqar Shah followed by questions-answers. A large number of the youth participated in the event which was moderated by Mr. Iftikhar Hussain Bughio.

Social Mobilization

Mobilizing People for Village Development: A Meeting of the Village Development Council

Sustainability cannot take place without the spirit of ownership and inclusion. Keeping in consideration the fact, Village Development Council (VDC) has been formed in village Bajara. In this connection, a meeting of the community stakeholders was arranged on February 24, 2022 at village Bajara which was presided over by Dr. Aijaz Hussain Turk. After briefing on the ongoing projects, different decisions were made regarding the village development. Afterwards, the VDC members visited the school and family park established by the SVDP.

Mobilizing People for Village Development, Meetings and Gatherings

SVDP is taking various efforts to make Bajara a model village. In this regard, the donor of the project, Dr Aijaz Turk, visits his village twice in a year. He came to his village Bajara in mid of

August 2021 and had meetings and open discussions with the people aiming to sensitize and mobilize them for development of the village.

Community Stakeholders' Meeting in Bajara, New Projects Discussed

It is believed that sustainability cannot take place without the spirit of ownership and inclusion. In this respect, a meeting of the community stakeholders was organized on October 17, 2021 at Village Bajara wherein quarterly progress was shared and different issues were discussed thoroughly. Moreover, decisions were made as well regarding initiating the new projects.

An Entertaining, Performing and Mach Kachahri Event of Youth in Bajara

An event was organized on December 10, 2021 by the volunteers at village Bajara. Songs, poetry, comedy and cultural dance items were presented and performed.

Mobilizing Youth for Village Development: New Year and Mach Kachahri Gathering in Village Bajara,

New Year and Mach Kachahri event was organized on December 31st 2021 night in village Bajara. The emerging singers sang the songs of modern Sindhi poets. Further, comedy, dance, discussions, and New Year plans were shared by the participants. Mr. Zulifqar Shah, Mr. Ali Hassan Mallah and other guests from Hyderabad also participated in the event.

Meetings and Visits

Visited Kot Diji Fort, Angrez Jo School, NICVD and Moin Jo Daro

During his recent visit to Sindh, Dr Aijaz Hussain Turk, his son Advocate Hussain Turk and Mehran Mallah visited Kot Diji Fort, had a meeting with Steve (Angrez Jo School), NICVD Sukkur and Moin Jo Daro on February 22-23, 2022.

Building Linkages for Rural Development: SVDP Delegate Visited IBA Sukkur,

Sindh Village Development Program is developing and strengthening collaborations, coordination and networking for integrated development in rural areas of Sindh. In this regard, Dr. Aijaz Hussain Turk, Head of Advisory Board SVDP and Mehran Mallah, ED SVDP visited IBA Sukkur on February 23, 2022 and had a meeting with Prof. Dr. Syed Mir Muhammad Shah, Vice Chancellor and Senior Management of Sukkur IBA University. They were briefed about the recent developments at Sukkur IBA University. The delegate visited the campus facilities and appreciated the sincere and dedicated efforts taken by Sukkur IBA University to impart quality higher education.

Understanding Sustainable Agriculture, a Visit to an Innovative Model

Sindh Village Development Program's (SVDP) Executive Director Mehran Mallah along with young growers Mr. Yaseen Bughio and Mr. Umair Shaikh visited the Farmhouse of Mir Amanullah Talpur on April 1st 2022 at Village Morjhango near Kunri town. The delegate was briefed on the new approaches and best practices in the agriculture and horticulture sector. They visited all the models and had a detailed interactive meeting with Mir Amanullah Talpur. The purpose of the event was to learn new approaches and to replicate the best practices in other areas of Sindh.

Visited Govt. Lower Secondary School Golara near Manjhand

Govt. Lower Secondary School Golara of Taluka Manjhand lacks the basic facilities as do a large number of the schools of rural areas in Sindh. Headmaster Ghulam Haider Mallah has developed the school building with the help of the community. Three local teachers teach there voluntarily. Executive Director SVDP Mehran Mallah visited the school on May 26, 2022 and had a meeting with the teachers and the students.

Strengthen Working Relationship: ED SVDP Visited Village Gachero Old and Signed MOU

Executive Director Sindh Village Development Program (SVDP) Mr. Mehran Mallah visited village Gachero Old Taluka Moro on June 6, 2022, and had meetings with the stakeholders and senior management of Gachero Old Association for Healthy Environment and Development (GO AHEAD). The purpose of the event was to strengthen the working relationship with local volunteers as well as the stakeholders. Further, he signed a MoU with the headmaster of GBHS and GO AHEAD regarding the computer and science labs established by the SVDP. Mr. Mallah visited both the labs, girls' primary and middle schools.

Planning & Development Department Officials Visited Bajara

Mr. Tufail Ahmed Abro, Regional Monitoring Officer, MEC, Planning & Development Department Government of Sindh and Dr Shams Mahesar visited the interventions of Sindh Village Development Program in village Bajara on September 9, 2021. They appreciated the efforts are being taken to develop the Bajara as a model village, and offered their support in that regard.

Horticulture Project: SVDP Team Visited a Pipe Factory in SITE Kotri

Sindh Village Development Program's (SVDP) team comprising on Mr. Abdul Hameed Chandio, Vice President SVDP and Mehran Mallah had a meeting with Mr. Kamran, Marketing Manager Hi-Tech Pipe and Engineering Industries (Pvt) SITE Kotri today for getting quotation of Polyethylene Pipes for its horticulture project. Other concern issues were discussed as well.

Learning Experiences: Female Stitching Workers of Bajara Visited Crafts Model of SRSO in Sukkur

SVDP is developing and strengthening collaborations and networks for integrated development in rural areas of Sindh. In this regard, an exposure visit of Sindh Rural Support Organization (SRSO) Head Office in Sukkur was arranged on October 24, 2021 wherein 15 stitching workers associated with Marvi Vocational and Training Center Bajara participated.

They attended a meeting of female artisans in the village Bhirkhan Taluka Shikarpur. Afterwards, they were given a presentation on Craft Enterprise Development (CED) Unit of SRSO. Further, the participants visited production center, warehouse and display center led by Mr. Riaz Jalalani, Manager and Ms. Suraya Agha, Senior Program Officer CED. The purpose of the visit was to learn from the best practices of SRSO and making working relationship regarding the crafts development.

Encouraging, Guiding and Supporting the Girls' Students: Meeting on Issues with the College Principal

Education is a decisive element regarding women empowerment. It helps women to achieve the skills required for the leadership roles. In this connection, SVDP gives high priority to the girls' education. Two vehicles have arranged for the pick and drop of the girls students studying in the Govt. Girls Degree College, Sehwan. In that way, SVDP's female Social Mobilizer had a meeting with the

principal of the college Mrs. Gul Nargis on November 5, 2021 and discussed the different issues regarding their attendance, performance, discipline, pick and drop and etc. The principal appreciated the SVDP's efforts and assured her full cooperation with the organization.
